

## CLEAR AWAY THE WASTE FOR OBLONG HOLLOW PUNCHES

Clear away the waste that helps removing the leather's chips inside the punches from the lateral hole.

You can also disassemble the hollow punch from its handle and use the clear away the waste to remove the chips by the axial hole.

This in order to avoid breaking both of them.

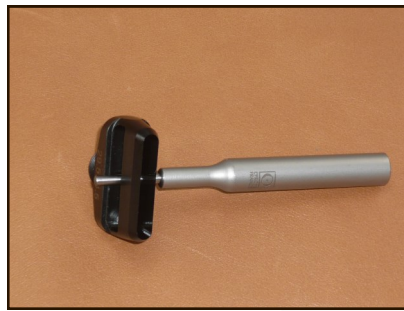

Especially made for our oblong hollow punches.

Dimensions : Ø10 x 90 mm

Weight : 35 gr

Clear away the waste for oblong hollow punches.
