Dimensions : 110x110x65 mm

Weight : 380 gr

Réf. 400-SCT-110

Dimensions : 160x110x65 mm

Weight : 550 gr

Réf. 400-SCT-160

Suggestion of use :

If you use several colors of tint, we advise you to have several jars with lid at arrangement, one for every color. So, you will avoid the wasting of tint and the waste of time due to the change of color and to the cleaning.
